

sparkling wines

"Sparkling wines that were once considered above all wines for toasting and celebrate, over time they have become great protagonists on the tables, certainly thanks to their versatility with combinations".

red wines

"One day I met two Apulian fishermen who played mullet in a span as they were transverse flutes and every now and then they drank from a flask of red that looked like the blood of a dragon. [Why?] I asked. And one of them: [Because we like it.] "Red with fish is freedom.
